## Mrs. Wiederholz's Website

Please answer the following about my site: [flip4math.com/quadratic](http://flip4math.com/quadratic) If you hand it in by Sunday April 23 at 2pm I will give you extra credit on your test.

Name \*

SB (Teacher)

Period \*

☒ 1

☐ 2

☐ 7

☐ 8

How easy is it to navigate from page to page? \*

|           |                       |                       |                       |                       |                                  |      |
|-----------|-----------------------|-----------------------|-----------------------|-----------------------|----------------------------------|------|
|           | 1                     | 2                     | 3                     | 4                     | 5                                |      |
| difficult | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input checked="" type="radio"/> | easy |

Add a comment about navigation. \*

It is easy to navigate using the drop down menu and the Quadratic Unit button as the home page button.

Is the purpose of the website clear? \*

|         | 1                     | 2                     | 3                     | 4                     | 5                                |       |
|---------|-----------------------|-----------------------|-----------------------|-----------------------|----------------------------------|-------|
| UNclear | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input checked="" type="radio"/> | Clear |

What seems to be the purpose here? \*

This website is meant to teach students about quadratic functions.

Did you get lost or confused? \*

- ☐ Yes
- ☒ No
- ☐ Maybe

If you got lost, where did you get lost? \*

I was easily able to navigate from page to page.

What is the best thing about this site? \*

I like the simple organization of the video, then foldable and then the practice examples.

What is something you would recommend changing? \*

It may be beneficial to add navigation buttons at the bottom of each page to get to the next or previous lesson.

---

If you had to recommend one thing about this site, what would it be? \*

The videos and individual practice are fantastic!

---

Any additional comments? \*

Great website for Algebra I.
